Labs are due on their due date at 5:30 P.M. sharp. If you are not on campus on the day a lab is due, you may scan it and email it to me at dexsmith@gmail.com. Your email's timestamp must be before 5:31 P.M. on the due date.

Do not put off your labs until the night before they are due. They will help you with your homework.

There will also be MATLAB projects available for extra credit throughout the semester.
